CELEBRATED PHYSICIAN.

Bryan, Texas, June 11, 1879,

J.C. Richardson, St. Louis—Dear Sir:—
My boy, 2 years old, had fever every other day, or every third day, for about 2 months, I used as much as 12 grains of Quinine during the day, but with no effect; tried Cinchonia (alkaloid Sulph. Cinchonidia, Salacine, etc., etc., but the boygot worse all the time. I reluctantly sent down to my drug store for your Febrifuge, and I write just to say that he never had a symptom of fever after commencing Febrifuge, to date, being now over a month ago. I feel that I ought to say this much in behalf of your medicine. Am a regular M. D., but retired from practice 3 years ago and devoting my time to drug business.
